

ENGINEERING CHANGE NOTICE

DART AEROSPACE LTD				ECN #: 810																																																																																																																																																																																																																									
Date: 06.05.17		Created By: [Signature]		Checked By: [Signature]																																																																																																																																																																																																																									
Project No: D206-746		Approved By: [Signature] (Proj. Manager)		Approved By: [Signature] (Management if reqd)																																																																																																																																																																																																																									
Project Name: SHROUD AIRFLOW HEATER SYSTEM																																																																																																																																																																																																																													
Description of Change:																																																																																																																																																																																																																													
RELEASE - MDL-D206-746 REV.B		* D206-746 REV.A		D3478 REV.B																																																																																																																																																																																																																									
* DR-D206-746 REV.B		* D3467 REV.B		D3482 REV.B																																																																																																																																																																																																																									
* HW-D206-746 REV.A		* D3473 REV.B																																																																																																																																																																																																																											
* HMS-D206-746 REV.A		* D3475 REV.A

Engineering Actions	Yes	No	Responsible	To happen by:	Complete																																																																																																																																																																																																																								
Required Documents Under Review?		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Update Blue/Pink Folder/Electronic File	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Update DSI Folder/Electronic File		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Update D-Part Master Binder	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.24 [Signature]																																																																																																																																																																																																																								
Update Grey Project Binder	<input checked="" type="checkbox"/>		KJ/MB	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Update DEO/DSI Binder		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Update Master Document List (MDL)	<input checked="" type="checkbox"/>		MB	06.05.19	06.05.17 [Signature]																																																																																																																																																																																																																								
Update Drawing Approval Record (DR)	<input checked="" type="checkbox"/>		MB	06.05.19	06.05.17 [Signature]																																																																																																																																																																																																																								
Update Change Record Form	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Move Electronic File	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Notify TCA of Change		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Notify FAA of Change		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Update QSI 021 (TC/FAA STC)		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Update QSI 036 (K-Kits)		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Scan Documents	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Update Accpac Database	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Update Access Database	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Verification ARC	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	KJ	06.05.19																																																																																																																																																																																																																									
Create/Update STC Approval List		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Update Prod. Dev. Summary		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Create/Update COSS (Estimate/BOM)	<input checked="" type="checkbox"/>		SLM/EC	06.05.19	06.05.24 [Signature]																																																																																																																																																																																																																								
Create/Update PPP's	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.19 [Signature]																																																																																																																																																																																																																								
Update Paperwork Kits in Production	<input checked="" type="checkbox"/>		KJ/LL	06.05.19	06.06.01 [Signature]																																																																																																																																																																																																																								
Update Paperwork Kits in Stock	<input checked="" type="checkbox"/>		KJ/LL	06.05.19	06.06.01 [Signature]																																																																																																																																																																																																																								
Rework/Scrap Current Production	<input checked="" type="checkbox"/>		LL	06.05.19	06.06.01 [Signature]																																																																																																																																																																																																																								
Rework/Scrap Kits in Stock?	<input checked="" type="checkbox"/>		LL	06.05.19	06.06.01 [Signature]																																																																																																																																																																																																																								
Update Qpulse		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Create/Update Controlled PDF Dwgs	<input checked="" type="checkbox"/>		KJ	06.05.19	06.05.24 [Signature]																																																																																																																																																																																																																								
Create/Update FAI sheets	<input checked="" type="checkbox"/>		SLM/EC	06.05.19	06.05.24 [Signature]																																																																																																																																																																																																																								
Create/Update CNC Programs	<input checked="" type="checkbox"/>		SLM/EC	06.05.19	06.05.24 [Signature]																																																																																																																																																																																																																								
Create/Update Tooling		<input checked="" type="checkbox"/>																																																																																																																																																																																																																											
Create/Update DXF File	<input checked="" type="checkbox"/>		MB	06.05.19	06.05.21 [Signature]
